We are breaking the cycle of poverty

The Problem: Education Exclusion

In Sub-Saharan Africa: over one-fifth of children between the ages of 6 and 11 are out of school, followed by one-third of youth between the ages of about 12 and 14.

Our Mission: Empowering Lives

Develop Africa is a 501c3 non-profit organization. We strategically empower lives in West Africa by providing education, training, and support, strengthening the communities we serve.

We foster self-reliance so that individuals, families, and communities can create positive change in their own lives.

We work closely with a partner organization in Sierra Leone - Develop Africa Sierra Leone. This helps us ensure our interventions are community-led.
