

# Yes, You Can Help

There are several ways  
in which you can help:

1. **Donate Books:** We welcome your book donations. This brochure describes what types of books we are collecting.
2. **Help us Collect Books:** We need help with getting the word out, contacting schools, and organizations etc. who might be willing to partner with us.
3. **Donate Specific Items:**
  - ◆ Storage Space: we need storage space to pack the books as we collect them
  - ◆ Shipping and related services: We need help documentation, shipping etc.
4. **Donate Money:** We need money to cover the processing and shipping costs. Ideally we would like to ship 2-3 containers a year.

**Yes, you can make a difference.**

**Your contribution / involvement is  
important and appreciated**

**Come be a part of history, by changing  
lives with us...**

## DEVELOP AFRICA, INC. AND ETHIOPIAN EDUCATION ENDEAVORS, INC.

**Send a Book, Change a Life**

*Help **Develop Africa Inc.** and  
**Ethiopian Education Endeavors,  
Inc.** collect and send educational text-  
books and children books to support  
the education and literacy develop-  
ment for Ethiopian and Sierra Leonean  
children.*

The children's books will be distributed  
free to deserving children and schools.

There is a **dire** need for children's  
books in Africa.

These books will make a real difference  
in enhancing their literacy / reading  
skills, and changing their lives.

## The Problem...

Many schools in Africa do not have adequate teaching / reading materials or a comprehensive curriculum. Additionally, tens of thousands of school children do not have access to books that will support the growth and development of their reading skills.

## Our Response...

With this in mind ***Develop Africa, Inc.*** and ***Ethiopian Education Endeavors, Inc.*** have teamed up to support the development and growth of education in Africa. This will be done through various activities such as the provision of textbooks, general reading books and other appropriate reading materials that will foster reading and literacy development.

## Our Goals:

1. **Support curriculum development in African schools.**
2. **Provide reading materials that will encourage reading development.**

This project involves the **collection, sorting, shipping and distribution** of children's books in Africa. The pilot phase of this project will involve schools in Sierra Leone (West Africa) and Ethiopia (East Africa).
