Who We Are

The Dream Home - is a Develop Africa project in collaboration with Door of Hope. The idea for the orphanage or Home was initiated by the Door of Hope community, in an effort to take care of Ebola orphans in the community.

Vision: To develop the next generation of responsible and resilient youth.

The Problem: Imagine being a child who has lost everything

... your loving parents, grandparents, family. A terrible virus took away your loved ones and home.

Where will you live? Who will take care of you? How can you go to school? How can you find help? Multiply this child by several thousand. This is just the beginning of the situation.

Our Response: The goal of the Dream Home is to provide the best care that we can for deserving children who have lost their parents to Ebola. This will cover everything including food, clothing, school-related expenses, medical and psychosocial support.

Taking care of children is a long-term task. We have the opportunity to step in and help these children grow up into model people - people who will impact their communities and nation - and even the world. **It's time to invest into the future of Ebola orphans!**

Join The Village

Raising and taking care of kids, as you realize, is not a simple task. The proverb says "*It takes a village to raise a child.*" In other words, it takes much more than five or ten people to raise these kids. **It takes a village.** That includes everyone. **That includes YOU.** Individual, families, organizations, companies etc.

We would like to invite YOU to join the village or extended family of caregivers or care-providers. Please join us in extending care and love to these deserving kids.

*"It takes a village
to raise a child."*

How You Can Help

- Make a donation. Go to www.thedreamhome.net/how-you-can-help and follow the links.
- **Sponsor one of the kids:** Your support will help us to provide quality on-going care for these deserving
- **Hold a Fundraiser for the Dream Home.**
- Collect or donate school backpacks with supplies
- Help collect or donate items for the Home.

The Ebola crisis may be over for now, but these children deserve our love and care. Become a part of our village today.

Let's together give these children the future that they deserve!
